

The Aged Care Continuum

Aged care in Aotearoa exists across a continuum from least to most intensive levels of involvement of third parties. Some people will follow this continuum all the way along, while others will jump steps, depending on their circumstances. This can be difficult to navigate as each step is managed, funded, and staffed by different agencies, government departments, and organisations.

Our members are involved in every step of this continuum, and we are proud of the mahi they do to support and protect the mana, waiora, hauora hinengaro and wairua of the older people they care for.

There is further work to be done to ensure that the system is holistically sound and culturally safe for every older person who journeys along it.
